

Internal Audit is a mandatory requirement of ISO 9001:2015. Success of a Quality Management System depends on effective internal auditors. Hence it is imperative for an organization to have trained internal auditors for implementation and maintenance of their management system. APC conducts a comprehensive two-day training program delivered by faculty with wide experience and auditing skills.

This program is designed so that ISO 9001:2015 internal auditor(s) thoroughly understand their role and acquire the learning needed to perform effective audits in their respective organizations.
